

AQUITEC DASHBOARD

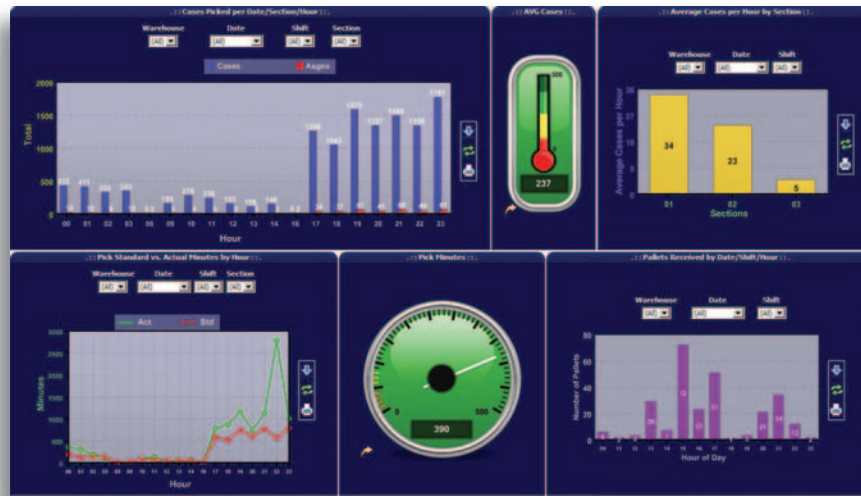

Real time
in no time

- Have one version of the “truth”
- Instant information updates
- Drill down for the detail behind the headline
- Receive alerts – how you want, when you want
- Measure goals alongside results
- Monitor Key Performance Indicators
- 24 x 365 reporting without the pain
- See different views to meet your needs in Finance, HR, Sales, Procurement, Warehousing, Transport, Stores, Suppliers and others

A picture speaks a thousand words

- Intuitive understanding
- Graphical visualisations of business information
- Animated charts emphasise criticality
- Crisp, clear communication – no misunderstandings

What you can't measure, you can't manage

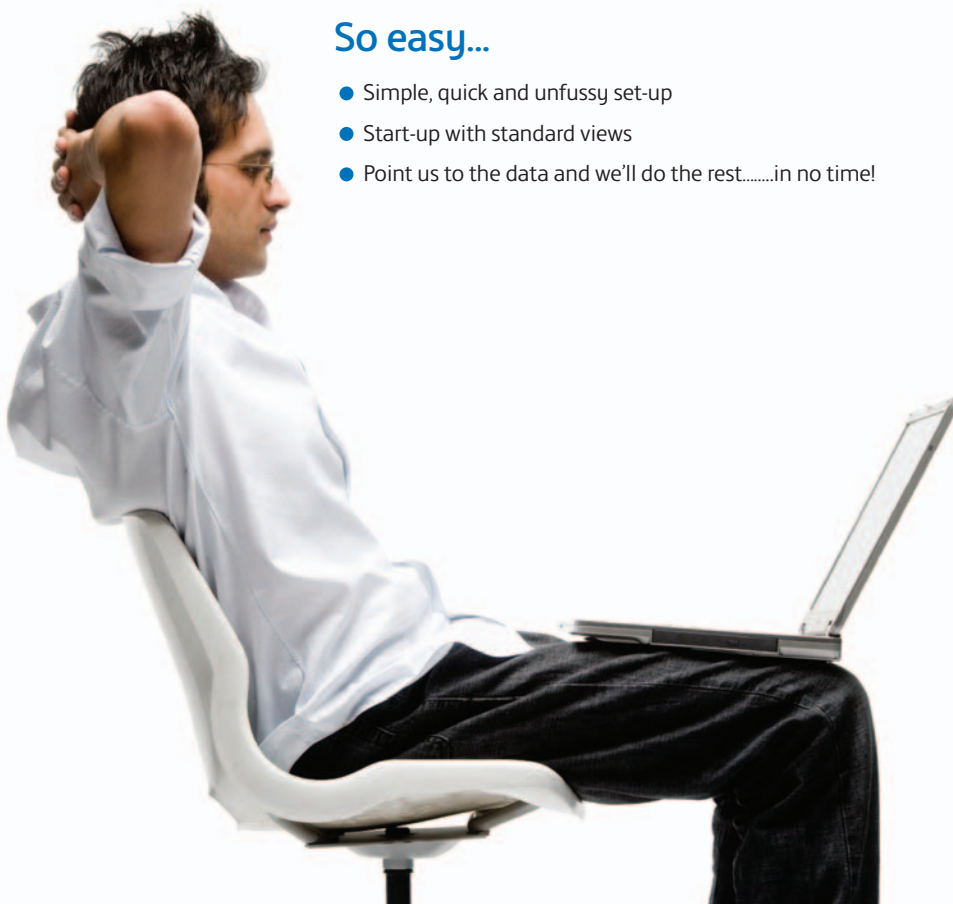

- Goodbye to spreadsheet management
- Standard measurement delivers consistent management
- Monitor achievements against objectives
- Measure actuals against forecasts
- Refine targets before it's too late to change

Organisation wide – through your intranet

- Web based front end and zero footprint
- Available to every desktop, laptop, PDA and mobile phone (with web access)

So easy...

- Simple, quick and unfussy set-up
- Start-up with standard views
- Point us to the data and we'll do the rest.....in no time!
